WELCOME TO THE INTENSE ISLAND

RUN OCEAN 2024 – Organization of an ICF International Océan Racing world cup competition - Reunion Island - November 11-17

Dear Presidents, Dear Colin, Dear athletes, Dear volunteers,
The Reunion Regional Canoe-Kayak Committee, with its dynamic in the canoe-kayak disciplines, has made of Reunion Island an essential site for paddle sports.

In 2022, 2023, and 2024 we organized three successful major slalom ICF international events named RUN SLALOM.

Now our desire is to make another step forward in positioning Reunion Island as the French Ocean Racing destination in the Indian Ocean.

Building on the success of "the ICF RUN Océan 2023", relying on the strength of its volunteers and the support of local institutions (Region, Clubs), the CRRCK (local French fédération) and BNO (Kayak club from St Gilles) applies to organize an international Ocean Racing ICF WORLD CUP race. Logical continuation of the RUN Océan 2023 (competition test organized in 2021-2022), the Run Océan 2024 could be held on November 11 to 17. The range of our equipment, our human resources, our technical skills and, we hope, the support of the FFCK allow us to have this ambition. Looking forward for your answer. Best regards

Veronique Lagourgue
President of the local &
French federation

Maxime Lucas
President of club
BNO St Gilles"
